Dear Friends,

Thank you for your contribution of \$5,000.00 to the Mayor Adler's Housing Heroes Fund of the Austin Community Foundation.

As our city grows, we face new challenges. Since 1977, the Foundation has helped people like you multiply generosity across our community through grantmaking and collaborative problem-solving. By giving to the Austin Community Foundation and our funds, you invest in community leadership, innovation, collaboration and advocacy that makes Austin a better place for everyone today—and tomorrow.

On behalf of the Board of Governors, thank you again for your gift. Your generosity makes a meaningful difference.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Nellis".
