<p>Life Members should be held to the same standard as Full Members at a minimum. It sends a poor example to the association when a Full Member becomes a Life Member and is then not required to show up. Life Member need to set the example and represent the association in a positive manner. Medically retired Members are exempt for medical reason and no longer have a vote in association business.</p>

ADD: (xii) A Member may NOT belong to another motorcycle organization which requires an oath or pledge of loyalty, which contradicts the aims and ideals of the CVMA®	
<input checked="" type="checkbox"/> Justification for change shown here	<input type="checkbox"/> See attached
Each Member of CVMA® is required to raise their right hand, and repeat the following pledge "I (state your name), having heard and understood...the purpose and mission of the CVMA.....do solemnly pledge....always to respect and promote...the aims and ideals of the CVMA®." One of the primary principles (aims and ideals) of CVMA® is to remain a "neutral organization" as described in the CVMA® National Protocol Rev C. Jan 2021. If a Member of CVMA® is or becomes a Member of another organization which is NOT a neutral organization there becomes a conflict of interest. A person cannot pledge to more than one organization with an expectation to be loyal to conflicting principles.
