**Mission Statement:** We aim to assist Combat Injured Veterans of the United States Armed Forces and their families to find solace through rest and recreation activities, in and around our surrounding communities. While specific emphasis will be placed on ministering to those with PTSD, we will strive to serve all combat injured veterans.

**Other goals:** We aim to provide individualized experiences based on interests and needs. This could include fishing, hunting, family games, outdoor games, cookouts, massages, and future ranch animals and farming opportunities.

Our goal is to also coordinate special events and activities for all Veterans and their families (lunches, picnics, etc).

**We are different!:** What sets us apart from other organizations is that our mission is to serve the entire family, as often, it is not only the veteran in need of solace. We are proud to be able to serve the entire family unit!

**Analysis:**

2022: About \$8k donated, only 10% for overhead like website, bank fees, and po box fees. Since they are now under their own 501c status, will be hiring an accountant/ cpa to help with books and taxes this year, so that expense will be added to overhead, though we are looking for donated time/services.

**Recommendation:**

Donate \$3k

Mission Statement: To bring veterans together using humor and camaraderie to improve mental health and prevent veteran suicide.

Support & Care: Irreverent Warriors knows that the best support network for veterans, is other veterans. We bring a community of warriors together through therapeutic events across the country. We also work with other veteran organizations who provide services such as job placement, training, housing, service dogs and more.

Connections & Bonds: The connections and bonds made at our events allow veterans to create their own support network solving the most crucial issue contributing to veteran suicide; isolation.

Laughter & Experience: We have experienced pain, tragedy, and trauma – whether overseas or at home – and many of us have used humor as a coping mechanism.

Finding humor in difficult situations sheds some light on the darkness and helps us maintain a positive mental attitude and continue our mission.

Georgetown Hike: 9/9/2023 for Veterans, AD, NG, and Res only.

Georgetown hike specific funding is sent to corporate and allocated via prepaid card to Georgetown location.

2022 Georgetown Funds: Donations - \$10,258.79, Expenses - \$9,835.95

Analysis:

Large organization, but each hike is funded separately. Would recommend donating \$1k for September hike.

No information provided.

Mission statement from Facebook page:

Mrs. Allen's Rescue Ranch is dedicated to providing a safe haven for dogs and horses in times of need.

2022 to date: 23 dogs have been donated to veterans. They provide emotional support dogs as well as "service level" trained dogs. Barbara covers all overhead costs including travel, ie getting the dogs to us and to a veteran, veterinary expenses, dog food, training (we also have volunteers who help with training) etc.

What we use your generous donations for are expenses for the dog and veteran that are outside the ordinary. For example all the costs of certifying a service dog including getting an approved vest and harness, id cards, certificates of registration and a letter from a doctor if needed. Also, some vets don't have dog crates, dog food to start with, money for neutering and spaying which we require in our contract (but honestly the dogs leave here owned by the veteran and I am not going to police their choices). We also pay for registration with the AKC if the dog is purebred and microchipping (we remain

the second contact in case the dog is lost, the veteran is the first contact). We also use your donations for collars and leashes for each dog ie they have the name and number of the veteran on them in case the dog gets lost.

They provide training post adoption in person or over zoom due to the current heat.

Analysis:

No public information about details of organization, or its specific mission to support veterans.

Recommend \$4k donation
